12+

The 20th Anniversary International Exhibition for Equipment for the Textile and Garment Industry – INLEGMASH 2020 was to be held on March 17-20, 2020 (EXPOCENTRE Fairgrounds, Forum Pavilion).

However, due to the current epidemiological situation, as well as based on the Decree of the Mayor of Moscow of March 5, 2020 № 12-UM "On Introduction of High Alert Regime" (in the wording of the Decree of the Mayor of Moscow of March 16, 2020 № 21-UM) it was decided to reschedule the exhibition to March 1-4, 2021. (EXPOCENTRE Fairgrounds, Pavilion No.2, Hall 1).

Much work has been done by the organisers and participants to prepare the INLEGMASH 2020 exhibition.

According to statistics, the exhibition space has almost doubled and the number of foreign brands and Russian companies has increased, compared to 2019.

Leading manufacturers and suppliers of equipment for spinning and weaving, nonwovens and technical textiles, spare parts, components and accessories announced their participation in the exhibition 2020:

On behalf of the organisers, we would like to express our gratitude for participation in the preparation of the supporting programme of the International Industrial Conference of the INLEGMASH exhibition to the following companies :

- TEXTILE AND TECHNOLOGY (T&T),
- WORLD PRINTING SYSTEMS (WPS)

The exhibition organisers highly appreciate the exhibitors' contribution to the INLEGMASH 2020 build-up, as well as their trust in the project.

This gives us confidence that we have every opportunity to expand and develop the market for textile machinery, sewing equipment, components and consumables. Taking into account the stimulation of the industry modernisation and creation of new production facilities, we will be able to achieve the main task of the industry - to provide the population of our country with domestic high-quality, affordable and competitive textile and light industry products.

At the same time, the INLEGMASH exhibition will keep steadily growing and expanding .
